

receive\_dictionary

```
graph LR; A[receive_dictionary] --> B[insert_word]; B --> C[hash_func];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'receive\_dictionary'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'insert\_word'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'hash\_func'.
